The flags have the Mencap logo and text. The Mencap Liverpool & Sefton Golf Day is one of our biggest fundraising events of the year, and we're delighted to be holding our 2019 event in the stunning Formby Hall Golf Resort and Spa.

The 72-par 18-hole Championship Old Course offers a challenge to golfers of all levels, whatever the weather.

With peak tee-times between 1 and 2pm, we'll start the day with bacon butties, and end with a two-course evening meal in the Diplomat Suite. You'll also have time to enjoy the leisure facilities at Formby Hall Golf Resort and Spa, and network with fellow golfers and future business partners in our own private bar area.

Sponsorship opportunities, as well as four-ball and individual entry are detailed below. This year we're inviting non-golfing partners and colleagues to join us in the evening for dinner and drinks.

All money raised through this event will allow Mencap Liverpool & Sefton to continue promoting equality for people with a learning disability, helping them to discover new opportunities, make new friends, and feel valued and safe in their communities. As a local, grassroots charity, we rely on the support from local people like you, so please do join us for the day, and consider sponsoring a hole - or even the whole event - if you can!

## INSPIRATION

In March 2019, Aaron took part in the Goodison Park Zip Wire, raising over £300 to allow Mencap Liverpool & Sefton to continue funding the projects that he himself benefits from.

'I've been coming to Mencap Liverpool for two years. I do drama, loads of sports and last year I qualified as a Boccia coach. I fundraise 'cos I want to raise awareness about people with a learning disability. Everyone should be equal and have the same rights as everyone else. I want to raise money to pay for more activities in the community like sports tournaments and days out.'
